Annual L.I.V.E. Sprayer Inspection

Avoid costly downtime by insuring your sprayer is properly maintained and calibrated. Our skilled technicians will clean and test your sprayer, to meet L.I.V.E compliance criteria, and advise you of any repair recommendations.

\$400 Inspection

includes the following:

- *Testing sprayer operation*
- *Pump inspection*
- *Cleaning of nozzles and strainers*
- *Complete sprayer check over*
- *A detailed list of needed repairs*

*** In-shop only. Parts not included ***

Servicing quality sprayer brands like these and more:

Air-O-Fan ♦ Rears ♦ LectroBlast ♦ Gearmore ♦ Jacto ♦ And More!

*Hauling to and from our Aurora and McMinnville facilities available.
Contact our Service Departments for more information and to schedule an inspection soon!*
