5:00pm - 7:00pm - Customer Harvest Celebration

Join us for an evening where we thank you for your continued business, enjoy great food, beverages & music. Plus continuing to support 2 great causes!

We're continuing to host our popular event offsite to the **Chehalem Cultural Center in Newberg**. This year we are opening up our Vendor Happy hour to you, our loyal customers. Come early and join us for music and hors d'oeuvres. Together with the support of our customers and sponsor vendors, **we've raised nearly \$12,000** for local clubs in the past four years!

Come celebrate the harvest season and our successful local 4H & FFA youth!
